“ His smile warmed my heart , his love for his family warmed my soul. My children met Phil once, but that once was enough to give them an everlasting memory of thoughtfulness and kindness. That, to this day, they speak of the time they were at Susan’s house and how much fun they had on that one day with Susan’s dad , Phil.  
He will be missed on this earth, but he will be honored in heaven.

*My deepest sympathies to Susan and her entire family.  
Our deepest condolences
