“ Deepest Sympathy for family of Rachel, I did not know her personally , but my daughter was one of her friends, it's the hardest thing for a parent is a loss of a child , Remember her memories , and take a day at a time , I was a good friend of her Uncle Mark Smith , and I only have one short story that I believe he told me about her is that she got into bengay (ate some of it- I think 🤔) He too passed way to young, Take comfort for the precious time she had with you , and may the days ahead start to ease the pain. Prayers for your family at this difficult time .

“ I remember the first time I met Rachel, this tiny delicate girl with the most beautiful hair on her first day of kindergarten. I was lucky to have her in my life for so many years and I have a lot of great memories, from My Little Ponies to our mutual fondness for odd PBS mini-series. I hope she is cuddling with Boomer now. Rachel you will be missed. My sincerest condolences go out to everyone that is feeling this loss.
