“ Many times I can remember you sitting on the bench by the barber shop (Cutler/Baglio's) sharing a Hershey's candy bar or an ice cream cone with my son, Daniel, when he was a young boy. He always looked forward to spending that time with you and an occasional hot chocolate when you had your coffee at Bea's Diner. He loved your stories and your companionship as much as we all loved you. You were a Godsend to him and us and we will always cherish the memories and time you had given us. Thank you for being a part of our family Ray and may you rest in heavenly peace.

“ So sorry to hear this. We will miss seeing his lawn tractor parked outside the restaurant. Always a smile and a pleasant conversation. He always gave my grandkids a shiny new penny. RIP Mr Ray. Our community will miss you!
