“ *Rena was a beautiful mom and has a beautiful family that I know will miss her so much. I am grateful for the times, us moms (early on moms), were able to bond and lift each other up and be there for each other as we were going through challenging times with our kiddos. She will be remembered as a wonderful mom who always advocated for the best for Zac and her family. My thoughts and prayers are with you, so so sorry for your loss.*
