“ Sorry to hear of Bob's passing. I just recently made the connection to who Bob was. He would come into the party store in Carsonville, yet sometimes I would see him in church. I finally asked him if he was the same person. Rest in Peace Bob. Tina and family...thinking of you during thie difficult time.

“ My deepest sympathy to Tina, Michael, Michelle. Robert will always be in my memories and he will always be in my heart as the best and brightest cousin. The many days when I was younger from our 45 record toss and listening to his band. I grew up watching how successful he became with building his houses and betting me at pinochle, and working at Ford Motor company he was someone that I always looked up too. I will cherish the times with him till we meet again. May God's blessing be with Tina and Michael, Michelle and Roberts spirit will be with you always.
