“ Bob was my best friend and neighbor. We tried many times to smoke out ground moles only to have more in a couple days, He had bats in the barn so, he got a super soaker filled with ammonia to spray in the loft to get rid of them, me, bein a good neighbor said I would climb the ladder and spray them. Bad idea, when I started spraying 100's came right toward me, I lower the gun to my side only to spray Bob in the face with ammonia. All the trees we cut down and even stood one back up. The ditch witch we rented to install our waterlines.. No he says nothing in the ground, wrong cut water line and electric line in half. .After repairs he said nothing else in the way. five feet and hit steel pipe with three wires coming out. He says old disconnected lines just cut them, Don't think so, you cut them. Then burying the ditch witch needing a wrecker to pull it out. And list goes on. Bob you were one of a kind and will always be in my thoughts and prayers. Tell Billie we said hi and enjoy eternity with her and Jesus, Until we see each other again. Miss you
