“ Bobby was one the best neighbors anyone could have, in fact he was the first person that had introduced himself when we moved out here 16 years ago, Bob and Sandy and my husband, Tim and myself, quickly became very close friends. If there was anything anyone needed it was Bob that would make sure they were taken care of! He had a HUGH heart and cared about each and every one of us! His stories he told of how he grew up and and when he met Sandy were so very interesting. His love for his family was amazing! He would always give advice only if you asked for it otherwise he just listened to what you had to say with a open heart! I had just bought him lamb chops for a Christmas gift because Sandy would make them for him and they were one of his favorite things to eat, but, with a heavy heart, I have to say time got away with me and I opened our freezer last night and there they sat.....I'm sorry Bobby, but somehow I know that right now it doesnt matter to you now, because you are with your best friend "Sandy"..... Rest in Peace" my friend's.....Rest in Peace.....
