“ My dear Bob... I had moved from The Estates in 2008 but never forgot you nor Anita. Busy life never brought me back there but often sent Christmas cards. Last year I took a chance and sent on thinking if he sends one back, I'll know he's well. Christmas came and went and I became ill. Today I had a vivid memory of you Bob, playing Cards in the club house. I feared, but looked in the Croswell obituaries. Nov . , 2018....I cried, I missed you... God will keep you in his care because you are genuinely a wonderful man... a wonderful friend.... this may sound funny, but I will miss you. Patty Voishich

“ Dear Uncle Bob,
I'll continue the advice you told me and wrote with every birthday card, Christmas card, and the many letters you sent.

Your famous line through the years!

“Keep your stick on the ice!”

Bob will be sorely missed. I came to know him at the CE Carwash in Sandusky. I learned we were "shirt tail relation" as he put it. I have the greatest respect for this wonderful man and will miss him so much. I'm glad I had the pleasure of knowing him as he made my day each and every time he was around me!!
