Dad was very proud of his service in the USAF and was a member of American League for many years. He marched in parade every year as long as I can remember.

“ I have wonderful childhood memories of my Dad teaching Steve and I to ride bikes, taking us out trick or treating on Halloween, teaching me to drive (even though he'd loose his temper) and taking us sledding. Later the both of us would go riding on his Yamaha motorcycle to ball games. I think everyone in Croswell knows the story of be getting drunk at age fifteen at a basketball game and my Dad came and carried me out of girls bathroom. He was always there for me. I will miss him terribly. I'm thankful he is at peace now.

“ I have great childhood memories of my grandpa taking me to neighbors farms to feed the pigs, checking on his garden vegetables, walking across the swinging bridge, and riding in town parades in his convertible. He was a wonderful grandpa and will be missed. RIP grandpa ❤️

“ Years ago my husband Bill Scott worked at RPM in Croswell, MI. He was a Foreman. After the plant closed because of Union talks he was out of a job. While at the Croswell stockyards he ran into Bob. Everyone knows what a talker Bob was, he told Bill to come over to Stead Auto Sales and try it out. He tried it out and continued in Auto Sales until he retired 2 years ago. He has Bob to thank. They continued talking all these years as Bob would call up until just this last summer. Thank you, Bob Cutler. You had a Great Ride. Rest in Peace!
