“ *Barb and Brian - Thanks for personally letting me know about your dad. I have a lot of good memories about the summers he and I spent together. Most of our daylight time was spent water skiing and swimming. Then there was putt-putt golf, the drive-in theater in Lakeport, driving go-karts and all the other things teenage boys did back in the sixties. I'm glad your dad and I were able to reconnect recently and share some of those memories. My wife (Carol) and I send our prayers and sympathy.*

“ *Bob was a great guy and such a helpful neighbor. He was ready to pitch in and help when ever he saw that help was needed. It was a comfort for us to know he was there when my husband is on the road. As he is the one you could call in an emergency. This neighborhood will not be the same.*
