“ Putz family we are sorry for your loss . The short time being Mr. Putz Neighbor was a honor. My son Conner enjoyed spending time with him. Mr. Putz took the time and taught Conner how to hook up different equipment to his tractor, plus Conner helped him around the yard. It was a treat to watch these two enjoy each others company. He is going to be missed a lot by our community on Sheridan Line Rd....RIP Mr. Putz sure gonna miss our talks

“ Our family met Bob and Jan as they live next-door to our son and daughter-in-law's family. Frequently Bob and Jan were guests at our grandchildren's birthdays, first communion dinners, etc. They were lovely people and it was nice to know them. After Jan passed, Bob would continue to come to a few events, but he seemed unsettled, being without Jan. Now they have been reunited! And even though I did not know them well, they were very lovely warm people!
