“ Denise and Stacie, Cora and I were so very grieved to hear of Bob's passing and have been praying for the Lord to give you comfort and strength through this very painful time. We have so many memories of our journeys together from the early 80's in Brown City as we came to know and love you, Bob and your family as part of our church family. What a blessing!

We want to share with you the promise that God spoke through His prophet Isaiah 41:10 "So do not fear for I am with you. Do not be dismayed for I am your God. I will strengthen you and help you! I will uphold you with my righteous right hand." Even though these words were spoken long ago I believe they are God's message for you and your family today--His promise to strengthen and help you through this time and the days that will follow!

With love, Pastor Larry and Cora Van Slambrook
