“ *Three years ago at a family wedding in Pontiac a hoot and a holler went out in reception hall when the Mexican music started, I looked to the dance floor and saw my prima and Roberto being the first to hit the dance floor. Then later in the hotel, their room being where the after party was at. I remember the tias and tios from TX and my prima and Roberto's comadre and compadre having a great time and Roberto's surprise when a party crasher that no one knew but wanted to party with Mexicans finished off Roberto's bottle of Presidente. Prima, we love you and you aren't alone, we're just a call or a text away for whatever you and Sophia and kids need. Roberto RIP in our Heavenly Father's arms* ”

“ *My family and I are heartbroken our Prima has lost her husband her constant companion her protector her friend. I will miss watching them dance to Tejano music one of Roberto's favorites. I will miss watching Roberto DJ. My husband and I will miss his antics he could be quite the joker! We will forever think of Roberto when we attend a function and he is not there. May the Lord receive you into his loving arms. Rest in Peace Roberto.*
