“ Hey dad...it's maddie. I miss you. A lot has happened over the last month. I no longer live with mom, I only see her and Conner on Tuesdays for a couple hours then every other weekend. I'm not gonna lie it's kinda hard. Idk how I'm supposed to be there for them all the time when I don't live with them anymore. I feel like I'm losing my relationship with both of them. I wish you were here or you could let me know somehow that you see me or can hear me. I love you. My 16th birthday was kinda hard bc u weren't there and you made a promise to me that when I turned 16 you were gonna push me into a lake. It was a rough day for me but I had this really nice guy to help me through it. His name is tshaun. He's helped me a lot. I think if you were still here you would like him. I don't deserve him but I'm grateful that he is with me. I know I'm probably not the best daughter but I'm trying my best. I haven't cut in 4 months. I'm trying to do better with my life. I'm trying so hard but it gets tiring after a while. Sometimes I just wanna sleep for a while then wake up and start over and start fresh. Idk what to do anymore. I miss you

I wish you could come back one more time just for a hug or to tell me you can hear me when I talk to you and that you are doing okay. I hope you can see me and hear me daddy. I really need you still

To watch all these kids that looked up to you grow up to be amazing people. You should have seen it today, my Conner put Andre's helmet on said he was a little uncle Andre' and needed to ride his fourwheeler. We all miss you stopping by randomly every day no matter what time it was. We will see you again someday. We love and miss you. I hope your riding in Heaven dear brother. Love, Us
