“ *Every time he called me.... I answered ... “Hello Grandfather” and his cheerful reply of “Hello Granddaughter” I’m so glad you got to meet my fiancé and ‘our’ girls.... You have been such a part of every thing in my life..... I made you a grandpa... you helped make me into the person I am today! “Good enough” was never acceptable and I do all things to “grandpa standards” and always will! Your first Granddaughter misses you so so much already! I love you. Goodbye Grandfather.....* ❤️💔
