“ Words cannot describe how sad I feel right now. Many happy memories from my time working at Larson. A true friend for sure who loved his family deeply. Kim, I am praying for you and the whole Rush family. Sadly, we moved to Arizona recently and I won't be at the funeral but please know I care.

“ Russel was a good man! Didn't say a whole lot. But when he did he ment it! We did a lot of hunting in the past. And had some great laughs! He was what I call a quality person! See ya again some day.

“*Russ was one of the kindest most giving people I have ever known. No matter the time of day, if you needed help he was there. He was a "master" of many skills and he effectively ran LMS like a finely oiled clock. The greatest advice my principal gave me when I was hired was, "Get to know Russell. He's the boss of this building." And he was right. If ever you needed advice, help with a project, or just someone to have a "heart to heart" talk with, he was your man. He not only raised his children, he raised his grandson, Austin, and was the best grandpa ever to his great grandson , Mikey. The world of so many will be so much less without him in it. I miss you Buddy.*

“ I am so sorry for your loss. He was a wonderful man that I was proud to call my friend. I was thinking of him today and got the giggles, because of the pranks he used to pull on me at school. One time, he put a plastic rat over the drain in the boiler room. When I went into smoke he was so ticked because I did not see it. He was hoping to care the bejesus out of me. This just makes me giggle. He will be missed . Alison McNaughton
