“ Although I only spoke with her on a few occasions, I realized very quickly that she was a Godly and generous woman, very engaging and personal. When I learned of her passing, I sensed the tremendous loss and grief this family will endure. My condolences and prayers for Tom and the entire family. God's promise for believers is to be absent from the body is to be present with the Lord! We can embrace that promise!!

What a great person and a community woman. Buel Country Church will be lost without her talents.
