“ *Sam and I became friends during 7th grade at St. Matthews School while playing football. Sam even then was a man amongst boys as he dominated the field with his skills. We went on to play football together at St. Ambrose as Sam continued to be a giant of a man both on and off the field. Away from the game, Sam was a kind and compassionate man. An example of that kindness was when Sam played Santa Claus for underprivileged children at St. Boneventure Church in downtown Detroit volunteering to hand out gifts and candy at the yearly childrens Christmas party. His love of interacting and having children around him even back then could be seen by us all. Sam was one of a kind that will be missed by many. I extend by deepest condolences to Chris and Sam's entire family.*

“ Chris you and Sam were one of my first welcoming friends at the Highpoint fire department, and have been friends for the last nine years. From stopping for coffee to doing things together I will miss Sam's laughter the most especially as he called Sasha over for all the loving he could give her. And she would lap very minute of it up. I was glad I was down last winter to visit with both of you. Our love goes out to you Chris and the family.

We will donate to the hospice as requested.
