“ Over the past 20 years Scott and I have shared many ideas and solutions filled with laughter and deep thought. Those brain storming conversations will be sorely missed and could never be replaced. He was a great friend that I will greatly miss. My family would like to offer the deepest of sympathies to the Lis family. May god bless and help you thought the tough days ahead.

“ My condolences go out to the Lis family. Although I have not remained in touch with your family, growing up, Natalie and I were close as we attended dance class together. I will be thinking of and praying for your whole family as you go through this difficult loss. I pray that you take comfort in God as He is the only true source of strength and meaning in this life.

“ I am sorry to hear about your dad's passing. He was definitely a character. I remember him being at Natalie and Christine's dance classes and recitals, always smiling, laughing, and sharing his opinions. And also the time when he came into my science class in high school to teach us about "electron buckets". He will be missed. My thoughts are with you and your family.
