“ Being the youngest of a family with all boys, I never had a sister, but this young lady filled that void in my life in many ways. I'm surely gonna miss all the quirky things that always made me laugh, smile, or just Plain shake my head in pure disbelief. I can see you now, playing Michigan Rummy with Wildy. (Grandma Pat) or maybe a conversation with your Uncle Duff, Grandpa Garth, Grandma Rita and all the others that left before you.

Didn't get that last boat ride, sled trip, canoe trip, campfire, GameShow, cardgame, or any of the many other things that brought us to together with family. Yes including coming to get you out of a few minor predicaments that we had so many laughs over. There's a huge hole in my heart, and I will surely miss you.

People,

Talk to your loved ones. These are words that should have been said, but will never be heard by the one they were meant for.

Please talk to your loved ones and let them know what they mean to you.

It's not a matter of if, it's a matter of when!

“ Sending love, hugs and prayers of peace to the entire Rennie family. Sherrie, Shelly and Patrick were my first friends in life. We lost touch when we moved to Waterford when I was 7, but Sherrie and I reconnected briefly 10 years ago. Sherrie and I had some really fun times together traveling to Grand Cayman, Cabo San Lucas, snowmobiling in the Upper Peninsula, UofM football games and so much more. She was a great person and a lot of fun. She'll be missed by everyone who knew her. Please pray for her family. This is such a devastating loss for all of them. Gone too soon. □
