“ *My name is Victoria Arthur. I was a patient at Waterford Medical for many years. I will never ever forget Shirley. She always made me smile when I walked in the office or she had to do a x-ray on me. I will never forget when Shirley did an x-ray on me of my chest and I had 3 quarters in my front pocket. After the x-ray showed up with a heart shape picture. When Shirley and I figured out what happened we laughed. I made her day. Shirley you will be missed. I will never forget you.*
