“ God took a angel home. My Aunt Shirley was truly a Angel. She called often making sure that the family was doing good. When I was younger I would go spend the day at the beauty shop & stay at her house. We would laugh & order the whole pizza menu and listen to old country music. She'll always have a special place in my heart. I know she'll find her little brother and give him big hugs. You'll be missed Aunt Shirley. 🌹
