Shirley had a way of making everyone around her feel accepted. Her love was unconditional and was a living example of Jesus to this world.

“ I was blessed to get to know Shirley outside church by meeting with a small group of ladies from CWC meeting on Friday morning for a book/Bible study for a few years. Her joy and infectious smile was contagious! She made each person feel loved and special! Her giggles melted hearts. We both got to know Bob and Shirley in the Sunday school classes and her devotion to Bob was an example of selfless love. She drove them everywhere! She lost her best friend Bob a few years ago but never let on to her loneliness. She is in the arms of her Lord and Savior whom she loved and served faithfully and of course her Bob is there too.....love you and will miss you Shirley, till we meet again! Your hugs were the best!
