“ I just learned of Sofia's passing. This makes me very sad! She was one of the loveliest people I have ever known. My thoughts and prayers are with the Garcia family as they spend this holiday season without Sofia.

I'm so glad I got out to visit her a few years ago and have kept in touch through the years. She was always kind and loving to me.

RIP Sofia - you were a wonderful person!!

“ My mom was the best. She never got mad and she was always kind to others. I don't think she had a mean bone in her body. I loved talking to her several times a week. She was my best friend and I'm going to miss her. I love you mom.

Sofia was a true blessing to those of us at Social Services. Kind and giving. We remember her getting her first ride on a motorcycle when she was 80! We all loved her.
