*“ A few months ago we were saying see you later. Stan hugged me for longer than usual and told me he loved me. I said I love you very much. He laughed and helped me get into my car. He is always a gentleman. Will never forget his smile, laugh, and our visits together. He was a very knowledgeable man. He was a second father to Gary and a grandparent to our children. A very special man indeed.*

*“ I am from Brazil and because of that I only met him twice. It was a great honor to follow his great job and finally met him in 2015. We all are grateful for all his work in promoting the Fancy Guppy Hobby and for this passionate and kind human being. Be well, Ether and the rest of Shubel's family. Sincerely, Michel Bruno.*

“ Stan was the best father in law that a person could ask for, he accepted me into his family and showed me how to enjoy the better things in life. I still remember his first words he spoke to as a 15 year dating his oldest daughter, I was going to high school and working a job. Stan and Ethel was out late on a Friday night and I was visiting their daughter. Well I fell asleep Stan woke me and said “young man I think it’s time for to go home “ without raising his voice.  
He was like a father and best friend to me most of my life. I’ll always love you and Ethel.

“ In May of 1975 working my first Guppy Show for GAGC a member pointed out a very distinguished looking gentleman and said " that 's Stan Shubel " I could not believe he was at our show. I will never forget how nervous I was introducing myself to the best Guppy Breeder on the planet.

Stan was so friendly all my nerves dissipated ( learned that word from Stan ).

I am proud to say I got to know Stan and Ethel very well over the next 40 plus years . My sincere condolences to Ethel and family and also to Stan's IFGA family.

“ *To Ethel and the Shubel family. My sincerest condolences. Although, I only knew Stan what now seems a very short five years, he and you accepted me as a friend. I will never forget Stan's smile and outreached hand each time we saw each other. I will always have the memory of Stan signing his book for me and the honor of judging a class with him at your last Detroit MGB show.*
