“ I am so sorry for your loss! I thought how cool it was to find out how she helped coach my cousins when they were in little league. I could see how much she loved her family! What a caring woman she was!

“ So many happy memories of Sue, she was a vibrant, caring and fun-loving person and God-mother to my 1st born child. You will be forever missed and never forgotten. The world lost a wonderful woman with your passing, but heaven gained another brilliant guardian angel to shine on with so many others well loved and lost. Hope you and your Jolene are having a good visit along with my Danny <3 <3 <3

“ *Ah yes, while vacationing with Jim & Sue at St. Pete's Beach in Florida, circumstances caused us to hoist on their drop line, from the 3rd or 4th floor of a 5 floor condo, a paperback book from the pool deck. This was necessary to avoid any "accidental" deviant of them to naviagate the stairways and/or our participation by ground based friends/relatives to provide the necessary reading material (Really?!). There's also Sue's hilarious diatribe of the island cruise we all had to Shell Island ib Boca Siega Bay on board a sailboat with Reggae music and libations with GiGi as our resort activity director! All in all, the few opportunities we were fortunate to be with Susan, we always appreciated her friendship as one of the Wysiecki family. which was truly one of love and enduring friendship ...*

*Sue will be missed, and God bless her in Heaven and on His right hand.*

“ On behalf of the Royal Oak Dondero Class of '67, we are saddened by Sue's passing. I personally remember her in our freshman/sophomore years as funny, thoughtful and always ready for adventure! May those wonderful traits be carried on by those she loved.
