“ Susan was such a wonderful person. We worked together for about 10 years. A caring person in general but loved her rescue cats. May she rest in peace.

Sue was a wonderful friend and co worker many years ago.. I was truly saddened to learn of her passing, may she rest in peace. Sue and I shared a love of animals and she really made a positive difference in the lives of her friends and the animals she saved..

I just learned of Sues passing. My heart is broken. Our connections were condo neighbors with a love for kitties in need. Rescue 101. Her furballs are all there with her.
