“ *It seemed that a family gathering always included Sue's sauerkraut and kielbasa. The crockpot was quite a useful tool for her in the kitchen. When I cook the same now, the memory of her will always be renewed. Another thing Sue did well was the handwork of embroidery. I have pairs of pillowslips which show the beauty of her handiwork. Then, most importantly, Sue and Al gave us six nieces and nephews which are dear to our hearts. We can't do more than hold dear memories and to offer prayers for the family's comfort, peace, and well-being. We love all of you. Uncle Elvin and Aunt Jean*
