“ We are so very saddened at the news of Tom’s passing. We have cherished our friendship which originated in Gulf Shores , Alabama nearly 16 years ago. Many consecutive years of wintering with Tom and Kathy was a very valuable and rewarding friendship. They were two of the very best friends we have ever had. Many trips and commutes were always a joy. They loved immensely their beloved family and were as proud of them as the family was of Tom and Kathy. Our deepest sympathy for the family and friends they have left behind. This couple was inseparable until Kathys passing in January and praise the Lord, as they are reunited. Our prayers and well wishes are sincere. Jerry and Diane Leavell, Cadillac, Mi.

“ Tom and Kathy will always be remembered. They were a great happy and fun loving couple. And so hard working. Their yard and gardens looked like a park. For so many years they had all the family to their house for a weekend reunion. Tents were pitched and the many cousins were fed and enjoyed their many stories remembered by Aunt Kathy.
