“ My deepest sympathies are with all of you during this difficult time. I
want you to know, I may have only known Mr Walding from a
distance, through my friendship with Tricia, however, I want you to
know his strength was an encouragement to those who knew him. I
want you to try & stay focused on the happy thoughts & memories,
like his strength, rather than the sickness & sadness that it has
brought. My prayers & thoughts will continue to be with your family.

I pray and say, as we have been doing now for centuries: "Eternal life give to him, O Lord, and let perpetual light shine on him forever. May he rest in peace!
