“ Gary, Kathy, Janice,
*I do not use the word friend lightly. We had many great times.
I'll never forget when I needed a place to stay you took me in and
put me up in the wino lady's house for a few weeks.
I am toasting you now!
We will meet again, and I promise when we do and I tell a joke and
you laugh so hard you tell me to stop, I will give you a break, but not
to long because we will laugh forever.*
