“ *I'm going to agree with my mom .You were a cute toddler/kid I remember you and your mom coming over to our house hanging out with my mom for the afternoon whether it was going to the dime store a garage sale or hanging out at the kitchen table having coffee while us kids ran around driving them crazy . I have several childhood memories of us getting together although rare in adulthood doesn't mean that childhood love doesn't shine through . you raised a beautiful family Tina I hope you were proud of yourself for that. Rest in peace*
