“ Walter was a dear friend from my days in VR-52 at Willow Grove. I have so many memories of our time there and will miss him. He was a loyal shipmate and I was blessed to have known him. We were friends until the end of his time here on earth. I know he is keeping an eye on all of us. God bless!

“ Betsy and family: I share your grief for the loss of Walter. He was such a dear friend, and a good man. He was a lot of fun to spend time with. I will always remember our antics together in South America and West Africa, all the good times had, all the laughs shared, and that big heart of his. I always felt like I belonged when around him. I shall miss him, as I know all of you will.
