“ Let me whisper just what's in my heart. I will cherish the times we spent together, they are locked inside my heart, for as long as I have these memories we will never be apart. Every moment we spent together you touched our lives, our souls forever. Who would know a step-mother is someone you can really love. Wanda you welcomed us into your heart. The years we've shared have been full of joy. We Love You Diane & Stephen Cutler
