“ I met Wayne while visiting my aunt Joann at Lakeshore Woods. Wayne and my aunt sat at the same dinner table. Many times I sat between them while helping my aunt with her meal. I would often give Wayne a hand when he needed it. I just learned of his passing as my aunt has been eating in her room recently so we haven't been in the dining room. I am greatly saddened by his loss. He was a bright spot in an otherwise dark situation. I will miss him. I hope he is resting peacefully in God's arms. God bless your family.
