“ *Ive known Wayne since he was born. He and his parents and three older sisters were our closest farming family in Pine Hill. His father was our teacher during our K-8 learning years. We all shared many family events together, helped out each other when needed . Wayne and his family were always willing to lend a hand to anyone needing help. Wayne was an excellent community member and very trustworthy. Our prayers are with Wayne's family at this time of great need and celebration of his life. May God Bless all of you.*
