“ *Massman family:*

My husband and I are rather new to the community but Bill was very much a part of our lives as he delivered many packages to our home on Martin St. Bill was always so friendly and such a pleasure. We are just sickened to read of his passing. Tammy, our hearts go out to you and your family. Bill will surely be missed by many. I know he will be missed by us. Our hearts and prayers are with you and yours.

*Sincerely and with much sadness,

“ *I am very sorry to see the passing of Bill. He was such a nice man and a good postal worker. I saw him on a regular basis during the 8 years I worked at Huron Shores estates and also at the post office. He was always friendly. Please know that all of us in Port Sanilac are saddened by this loss to our community.*

“ I will always remember the day after my deer accident. I was hanging up clothes outside and I was receiving a package that wouldn't fit into the mailbox and he walked up to me and gave me a hug and "not many people survive that type of accident and I am so happy that you did" that was the sweetest thing ever! It brought tears to my eyes, because he also said " your kids need their mom". He was/is an amazing man and I am so sorry for your loss! This community lost another wonderful man.

“ Our Postal Family is shocked and saddened by his passing. Bill was a good Mail Carrier and was a good servant for his customers and his employer. It didn't matter what the daily challenge would be, you could always count on Bill to get his route delivered timely for his customers, he was one that you could always count on. I will always remember chatting with him every time I visited the office. We lost a great employee/friend and I know that his co-workers and customers will miss him badly.

“ I met Bill's family when my dad married Virginia, Bill's mom, over a decade ago. I'm grateful to have become a sort of distant member of the Massman family, a specially kind and caring family. I miss those who have departed, too many already, too soon. And now the shock of Bill's passing. I hold the memory of my recent conversation with him close and want to offer that thought, appreciation, and condolences to Bill's family. I hope the flowers & bench we are sending mean something, maybe in a special place he enjoyed, for the memory of Bill. - Steve Mach, Jean Freestone.
