Bill was a wonderful person allround. As soon as I met Bill, I felt like I knew him all my life. He was that kind of a person. He made you feel welcome, he listened to you, and he showed you that he cared about you as a person. I don't think I ever got enough of Bill in my life. I hope that we can meet again and take a ride on a sailboat in heaven. He and I nearly flipped my small 14 foot day sailor over outside of Port Sanilac Harbor. We were taking turns at the helm and there was a pretty good windx Well, I was at the helm and Bill was moving back from starboard to Port depending on how the wind was blowing pretty good. I was gonna flip us. Fortunately, I let go of the tiller and the boat righted itself into the wind. I've never seen Bill's eyes so big as they were at that moment. We did have a good laugh and were thankful to get back safely into the harbor . Bill, thank you for all the blessings that you brought to our lives. You will never be forgotten, and you will always be loved.

“ To Loraine and Bill's family,
Bill was an amazing caring kind person and had a wonderful sense of humor that helped to break up any tension in any setting. He was an encourager and hard worker for our community.
We will miss him at our meetings and gatherings to help others and fight for democracy. Our community, here in Sanilac County, will miss him.
Please stay strong Loraine and know you are loved. Reach out anytime.
