“*Rose, Frank, and Julie,
My thoughts and prayers are with you. Bill was a special person, always with a smile on his face and willing to help anyone. He was hard working and always did his job well. My house is almost 40 years old now, and Bill, Tom, and Frank started building it in January, every morning shoveling snow off the floor so the 3 of you could work. One of the nicest thing I remember you doing for Bill, was putting together the book of pictures of all the houses he had built. I know he had something to say about each house. May God help you get through this hard time.*

“*On behalf of the St. Vincent de Paul Society, we share our condolences with the Walding Family at this sad time. One walk around our campgrounds is a moving tribute to the wonderful work that Bill constructed on behalf of our camping program. As he entered heaven, I am sure the good Lord said, "well done, good and faithful servant!"*

“ *My deepest sympathy to the family of Mr. William Walding. I had the opportunity to meet Mr. and Mrs. Walding a few months ago when I visited them to bring Communion since Mr. Walding's health was failing. His faith in God and his love for his family made a great impression in me. I enjoyed very much listening to his stories of years past, always with a sweet smile. May the Lord comfort his family very especially Mrs. Walding who took such a lovingly care of him all the way to the end. May he rest in peace.*
